

5m.5.32.

S/S MANGALORE

FREEBOARD REPORT on the

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval.

The existing freeboards, being more favourable than those under the Convention Rules, have been reassigned.

The Surveyors should be requested to state whether each ^{opening} in the after bulkhead of the bridge is closed both by a portable plate and storm boards in riveted channels. If provision is made for duplicate means of closing the Surveyors should ascertain from the Owners which of these methods they desire indicating on the freeboard certificate.

20. 3. 33

Convention

Ordinary cargo freeboards.
