Royal Exchange,
Middlesbrough, *18th May 1903.*

LLOYDS REGISTER
LONDON.

RECEIVED 19 MAY 1903

ANSR

Reference

The Secretary London
Sir.

With reference to the water ballast in the steamer "Ducado" referred to in the Cladding letter of the 15th instant. I beg to inform you that the 16 feet length in report refers to the part under the engines only. There is no water ballast under the Boilers, and the word boiler should have been deleted.

I am.

Sir
Your obedient servant
Jesse Williams.
