RECR 15 MAY 1903

ANSR

The Secretary,  
London.

Sir,

In answer to your telegram with reference to the fire grate area in the S.S. "Dicido", I beg to state that the fire grate area of the two boilers is recorded on the first entry Report, viz:-74  $\frac{1}{2}$ , and for each boiler it should be 37  $\frac{1}{2}$ .

I am, Sir,

Your obedient Servant,

*Pat Salmon*
