17th October, 1932.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 15th instant enclosing a communication, together with translation, received by you from the Administration de la Marine relative to the ships "KABINDA" & "KAMBOVE", the contents of which are noted.

With regard to the remarks respecting the "KABINDA", I regret to say that the figure in the freeboard assignment letter for the Tropical allowance in this case was inadvertently given as 165 mm instead of 140 mm, as stated by the Administration de la Marine, and the Tropical freeboard from the Deck Line 1664 mm instead of 1689 mm. I shall be glad if you will kindly inform the Belgian Authorities accordingly, and whilst thanking them for calling my attention to the matter express to them my apologies for any trouble which may have been caused in connexion therewith.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
ANTWERP.
