

Antwerp. 15th October 1932.

B. 2m.131.

FREEBOARD REPORT on the S.S. Kambore

It is submitted the Antwerp Surveyors be advised that the tropical allowance for the above ship, which was inadvertently stated on the assignment letter ~~to~~ as 165 m/p should be 140 m/p as stated by the Administration de la Marine, and that the Tropical freeboard from the deckline should be 1689 m/p and not 1664 m/p as previously stated. They should inform the Belgian Authorities accordingly.
