Technical Service  
No. FB/1411

14th October 1932.

Dear Sirs,

N° F.B/1411.

Freeboard S/S "KABINDA" & "KAMBOVE".

We beg to inform you that we agree to assign to the above vessels the 1906 Freeboard, it being understood that the alterations proposed by you will be carried out.

I must however point out that the decrease for the tropical freeboard (165 mm) of the "KABINDA" is bigger than the increase for Winter freeboard (140 mm). In accordance with the old Rules this should be the same. For the "Kambove" (nearly identical) this difference does not exist.

I shall be glad if you will be good enough to explain this anomaly.

Yours faithfully,  
D'après l'ancien règlement les deux valeurs doivent être de même grandeur. Pour le "KAMBOVE" (presque identique) on n'a pas cette différence. Lloyd's Register of Shipping
