

S.S. "BELGIER" No. 14393 in Register Book.

This vessel is of the Standard "A" Single Deck type, her dimensions being 400 x 52 x 31 feet. She was built at Belfast in 1917.

A letter has now been received from the Antwerp Surveyors forwarding plans prepared by the Mercantile Marine Engineering Works, of that port, shewing a proposal to fit a second deck, with the necessary modifications to the pillaring arrangements.

It is submitted that provided the arrangements be carried out as shewn and amended on the plans, and to the satisfaction of the Surveyors, the proposal will merit approval.
