Dear Sir,

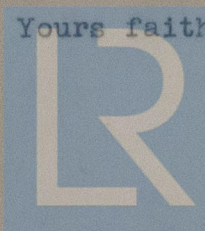

I have to inform you that freeboards have been assigned by the Danish Ministry in respect of the motorship "CHRISTIANSBORG" in accordance with the International Loadline Convention Regulations, and it is stated that these freeboards may be marked and verified on the vessel's arrival at your port in the near future.

I shall therefore be glad if you will arrange for the markings to be verified in accordance with the enclosed Danish form, and for the conditions of assignment, as indicated in the enclosed copy of letter from the Danish Ministry, to be complied with.

A detailed report of the alterations made, together with a verification of marking form C 12b, should be forwarded in order that the necessary documents may be prepared for issue to the Danish Authorities.

I am, Dear Sir,

Yours faithfully,

Secretary.

James French, Esq.,
