

of Freeboard
for Timber Deck Cargoes.

Translation-Copy.

The Ministry of Shipping and Fisheries.

Copenhagen, 29th January 1932.

J.No.C.299/21.

Lloyd's Register of Shipping,

Copenhagen.

Referring to your letter of the 25th instant with enclosed copy of freeboard reports for the cargo vessel "CHRISTIANSBORG" - Control No. C 299 - we herewith inform you that the assignment of Convention Freeboard for the above named vessel has been made on the condition that:-

the coamings for four ventilators on the forecastle deck being increased to 915 m/m in height,

the high ventilator coamings on the bridge being satisfactorily stayed,

the airpipes on the poop deck being increased to 457 m/m in height,

the steeldoors in the bridge front bulkhead being made capable of being manipulated from both sides.

Signed:- Dalhoff

/ Emil Krogh.
