BRIGHTLINGSEA,

16<sup>th</sup> August 1918

Dear Carey. Yours of the 15<sup>th</sup> not to hand  
my return from the trial trip of Aldous & Co's  
boat. With regard to the survey on S. C. Holman  
"edge" at Harwich, if Mr. Mc Laren has a permit book  
will have no difficulty in getting through.  
I note your remarks re "Star Trauma" William  
"rey" the boiler was built by Quotson & Proctor &  
do not happen to have my note book with stamp  
in it. as far as I remember the date of  
it is 5/4/18. N<sup>o</sup> 200. G.D.R. & probably the report  
in my drawer or right hand bottom.

Excuse scrawl in hurry to catch  
train to Loughborough. Yours faithfully  
A. R. Fairman
