

Lloyd's Register of Shipping,

Lloyd's Bank Chambers,

Middlesbrough, 3rd September 1926

Dear Willie,

Messrs. Smith's Dock Co. have now forwarded us the registered dimensions of their no. 818, the plans of which vessel were approved and the freeboards assigned on the 3rd February last.

As the Builders apparently got an allowance of $4\frac{1}{2}$ " for the continuous trunk upon which the hatchways are fitted, we shall be pleased if you would kindly forward us a copy of your preliminary assignment for our guidance in dealing with our verification report.

With kindest regards,

Yours sincerely,

W. Watt Esq.,

LONDON.
