Glasgow, C.2. 29th May, 1939.

Dear Sir,

With reference to your letter of the 19th instant in regard to the case of the Steamer "CITY OF GHENT", I beg to acquaint you that I am now in receipt of a further letter from Mr. McKenzie, the Manager of Metal Industries, Ltd., in which he states that this vessel is still afloat and it is at present intended that she should be used for certain Admiralty operations.

In the event of these operations not taking place the vessel will unquestionably be broken up by Messrs. Metal Industries, Ltd.

They, however, agree that it is quite in order that the entry of "To be broken up" should be made in the Register Book.

I am, Dear Sir,

Yours faithfully,

P. L. Warlow

Secretary to the
Glasgow Committee.

The Secretary,

LONDON.
