71, Fenchurch Street, E.C.3.

19th May, 1939.

Dear Sir,

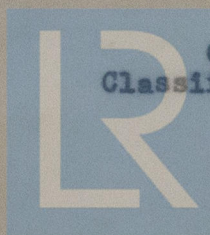

S. With reference to your memorandum of the 18th instant respecting the steamer "CITY OF GHENT", it is suggested that this case might be met so far as the class is concerned by the assignment of a casualty record of "To be broken up".

It is appreciated that this is not strictly in accordance with the actual facts, but having regard to the exceptional circumstances, it is thought to be the best way of dealing with the case, seeing that the section containing this vessel's name has already been printed off so far as the new Register Book is concerned. Before taking any action, however, I shall be glad if you will kindly make enquiries, and let me know whether this suggestion would meet with the approval of the purchaser.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
GLASGOW.
