Enclosure

22nd February, 1933.

Dear Sirs,

I have to acquaint you that consequent upon the recent alteration in the gross tonnage of the steamer "WICKLOW HEAD", the Owners were asked to return to this Office for amendment the Convention freeboard certificate in respect of this vessel.

I enclose herewith a copy of their reply, and with regard thereto have to say that instead of issuing fresh certificates, it is considered that you should make the necessary amendments of the gross tonnage in the Convention certificate and certified copies, and shall be glad if you will make arrangements accordingly.

The new gross tonnage in this instance is 1457.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,
BELFAST.
