ENCLOSURES.

Dear Sirs, The Secretary,

F. I am in receipt of your letter of the 28th instant enclosing freeboard verification form in the case of the steamer "WICKLOW HEAD", and in accordance therewith I have to enclose a fresh freeboard certificate together with two certified copies as desired, for issue when the conditions of assignment have been complied with.

I may say that it has been assumed that the Special Survey No.3 of the ship will be completed at this time at your port.

I should add that I have attached to the certificate the Board of Trade memorandum as the Board desire this to be done.

I shall be glad if you will forward particulars of the alterations which have been carried out, to enable the freeboard report to be completed.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,
BELFAST.
