24th July 1906.

Gentlemen,

With reference to your Freeboard Report No. 27396 on the steamer "HUNGARIAN", I have to acquaint you that the case of this vessel has been carefully examined and I regret to say it is found that she is not entitled under the new Tables & regulations to any reduction in her present freeboard, and I shall be glad if you will inform the Owners accordingly.

In the circumstances no fee should be charged for our services, and the account which has been rendered should be withdrawn. If it has been paid in the meantime kindly refund the amount out of your petty cash.

I am, Gentlemen,

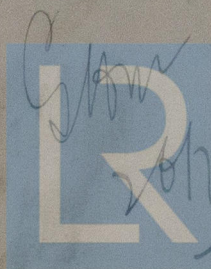

Your obedient Servant,

Secretary.

The Surveyors.
