LONDON

Dear Sir,

With reference to your letter of the 21st June last
respecting the Convention ordinary and timber deck cargo freeboards
computed in the case of the steamer "SVARTÖM" on the basis of the
information supplied in Stockholm report C.11 No.3586, which is
returned herewith together with the computations, I beg to enclose
a verification form of the ordinary cargo freeboards which have
been marked on the vessel's sides.

In order to put this vessel into such a condition as
to satisfy the Swedish Authorities that their requirements for
existing ships have been complied with, the following have been
carried out, viz:-

- The bearing surface for hatch covers increased to 50 mm.
- Air pipes provided with means of closing.

As the Owners have decided not to mark the timber deck
cargo freeboards at present the Swedish freeboard certificates
forwarded with your letter are returned herewith for cancellation.
I shall be glad if you will issue new certificates for the

ordinary cargo freeboards only, which should be dated the 3rd December, 1932, and 1937, respectively.

At the request of the Owners I shall be glad if you will kindly forward the original freeboard certificate by return of post to their Agents at Amsterdam, Messrs. Havenbedrijf de Rietanden, N.V., as the vessel is due at that port in a few days' time. The duplicate certificates should be forwarded to me in due course.

I am, Dear Sir,

Yours faithfully,

V. Bülöw

Yours faithfully,

Pro Secretary.
