2 ENCLOSURES.

18th December, 1936.

Dear Sir,

S.

I have to acknowledge the receipt of your letter of the 17th instant respecting the motorship "BRITISH TRIUMPH", and in compliance with the request contained therein I enclose herewith photoprints of the First Entry hull and machinery certificates for transmission to the Builders.

Having regard to the divergences between the particulars in the Report and the plan of the number of strakes and their thicknesses, it would be helpful if the thickness of each strake could be furnished, and I should be glad if you would kindly arrange with the Greenock Surveyors for this information to be forwarded to this Office.

Yours, and if I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
GLASGOW.
