25th November, 1935.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 22nd instant, with enclosure, relative to the preliminary freeboard assignment for Messrs. Lithgows Ltd., Yard No. 886. As it is understood that it is very important to obtain a certain draught in this case I shall be glad if you will forward full particulars for an accurate preliminary freeboard assignment, including the coefficient of fineness at 85% of the moulded depth, the sheer at each one-sixth of the vessel's length, the camber, the length of the erections with details of overhang (if any) and details (with dimensions) of any recesses in the bulkheads of the erections.

I am, Dear Sirs,

Yours faithfully,

*Copy file 2/36*  
Assistant Secretary.
