QUESTION.

The above vessel appears in the Register Book with the notation "Reported sunk by submarine 6,37".
I shall be glad if you will kindly endeavour to ascertain and let me know whether the total loss of this vessel has been definitely established.

ANSWER.

Date:— 26th December, 1937.
The Owners state that to the best of their knowledge this vessel was sunk by submarine, off Alicante, but that they are unable to verify the fact owing to Alicante being outside the Nationalist territory and suggest that we obtain the information from our agent in Alicante. (or Valencia.)
