Dear Sir,

We are in receipt of your letter of the 20th instant, the contents of which we have noted, and we thank you for the communication informing us what remains to be done to complete the Special Survey No.2 of the machinery of the "CABO PALOS". In reply we have to inform you that as at present this vessel is not under our control we are unable to state when these requirements will be attended to, but as soon as we resume control of the ship we shall deal with this matter.

Yours etc.,
