Dear Sirs,

H With reference to the Special Survey No. 2 which became due at the end of January 1935, on the Motorship "CABO PALOS", I have to acquaint you this inspection has been completely held on the hull, but to complete the survey as regards the machinery the present cycle of Continuous Survey requires to be completed. It is observed from the Shipping Papers that this vessel arrived at your port on the 11th instant, and, in the circumstances, I shall be glad if you will endeavour to arrange for this matter to receive attention at this time.

I am, Dear Sirs,

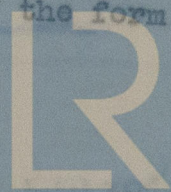

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

MARSEILLES.
