Dear Sir,

In reply to the enquiry contained in your Classing Letter "S" of the 29th ultimo respecting Genoa Report N°14420, on the M/V "CABO PALOS", we have to acquaint you that the Owners' Representative made every effort to complete the present Cycle of Continuous Survey at this time, but owing to a strike aboard and other causes, it was not possible to do so.

Definite arrangements were therefore made with the Superintendent for the survey to be completed without fail on the vessel's return to Genoa, it being stated that no time was available at Buenos Ayres for advancement, and it is regretted that this was not made clear in our Report.

We are, Dear Sir,

Yours faithfully,

A. H. Griffith
