# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

2 ENCLOSURES.

21st December, 1926.

Dear Sirs,

I have to acknowledge the receipt of your freeboard report on the M.S. "CABO PALOS", and with regard thereto I enclose the usual printed letters setting forth the freeboards which have been assigned to this vessel.

It has been assumed that the length on the loadline between the fore side of the stem and the after side of the sternpost is 397'-0", but I shall be glad if you will confirm this.

The registered dimensions given on your report appear to be the moulded dimensions of the ship, and I shall be glad if you will verify your figures.

At the same time I have to remind you that the drop in tank (if any) and particulars of sparring should be reported in all cases, and the builders' name and yard number should also be stated.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
BILBAO.
