Dear Sir.

13 With reference to my reports on the steamers "CATO" and "CAPITO", Bristol Report Nos. 14344 and 14345 respectively, it is noted that the month of Survey in each case is given as March. This, of course, should read February and I shall be pleased if you will arrange for the necessary corrections to be made.

I am, Dear Sir,

Yours faithfully,

*J. Brooke Smith*

The Secretary.  
WOKINGHAM.
