("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

The 2nd Special Survey No.3, became due 5,39 and the year of grace has been granted.

Permanent repairs are required to shell plating(s.s) in way of No.2 hatch at the Special Survey.

A proposal to further postpone the Survey until the early Autumn was agreed to last month, subject to a general examination and a favourable report being received.

The Bristol Surveyors now reports the vessel <sup>generally</sup> examined afloat.

He recommends the Owners' proposal be agreed to.

It is submitted action be deferred accordingly.
