# Lloyd's Register of Shipping,

Maritime Buildings, East Dock Street,

Dundee, 4th October, 1932.

reference

Dear Sir,

We beg to acknowledge receipt of your letter of the 3rd instant, having reference to the Freeboard Verification Form in the case of the s.s. "Gowrie" and enclosing the Convention Freeboard Certificate together with the certified copy to be issued to the owners.

In compliance with the request contained in the letter, asking to be furnished with particulars of the Freeing Ports in the fore and raised quarter deck wells, we beg to inform you that one additional port on each side 33" x 26 1/2" has been cut and fitted in the fore well with shutter supported in centre and on the raised quarter deck well two ports have been cut each side 36" x 28" and fitted with shutter supported in the centre. We regret the above information was not embodied in our report.

We are, Dear Sir,

Yours faithfully,

*W. H. Chapman*

For The Surveyors.

*W. H. Chapman*

The Secretary,

LONDON.
