2 ENCLOSURES

19th July 1923.

Dear Sir,

I am in receipt of your verification of marking form for the S.S. "GOWRIE" ex "HALLER" and have to forward the freeboard certificate for this vessel, in duplicate.

I have to request that you will state if the freeboard marks have now been placed at the middle of the waterline length, and whether chocks have been fitted to take the marks as required by Circular 1248, or if the belting has been cut away in order to render the marking easily visible.

I am, Dear Sir,

Yours faithfully,

Wm J. E. Sellex,

Secretary.

DUNDEE.
