3 ENCLOSURES.

Dear Sirs,

With reference to your freeboard/report on the S.S. "MUNINDIES", I have to acquaint you that in view of the information you have furnished through the New York office to the effect that the under deck tonnage measurement of this vessel with the double bottom rising at the sides is in accordance with the British rules, the tonnage co-efficient has been corrected accordingly, and amended freeboards one inch less have been assigned in accordance therewith.

I enclose herewith amended assignment letters to yourselves and to the Builders to substitute for those sent you on the 9th January last.

A copy of the computation as amended is also enclosed.

I am, Dear Sirs,

Yours faithfully,

Secretary.
