FAM

16th April, 1924.

Dear Sirs,

S.

I am in receipt of the letter dated 12th instant from Mr. Munro and Mr. Langlands regarding the First Entry report on the steamer "JAMESON", and note their remarks on the subject of the forecastle deck beams and pillaring. At the same time, I think it well to remind you that any deviations from the approved plans should be submitted to this Office at the time that such deviations are proposed by the Builders, and the matter should not be left over until the completion of the First Entry report.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
