The Secretary,

LONDON, E.C.3.

Dear Sirs,

S/S "JOYOUS" ex "JAMESON"

We have your letter of the 30th April and note with surprise what remains to be done to complete this vessel's Second No: 1 Special Survey.

We still feel that the extent of the bottom damage repairs and the fitting of the Gotaverken Turbo Compressor has not been fully appreciated by your Committee, and we enclose herewith a copy of the account for Owners repairs and also copy of the turbo compressor installation specification. As this vessel was in the hands of the Amsterdam Dry Dock Co. Ltd., from 17th November 1934 to 7th January 1935, with your Surveyors in continuous attendance, we shall be pleased if you will give this case your further consideration.
