30th April, 1935.

Dear Sirs,

In further reference to your letter of the 15th instant, and in confirmation of my telephonic message of this afternoon, respecting the steamer "JOYOUS", I have to acquaint you that to complete the Special Survey No.1 all the Rule requirements require to be carried out except the examination of the bottom and rudder in dry dock, internal examination and testing of the Boiler Room tank and the examination of the Boiler Room tank top and boiler bearers, the examination of the H.P. & I.P. cylinders and pistons, H.P. & I.P. slide valves and steam chests, condenser and the Gotaverken Turbo Compressor.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
