Dear Sirs,

S.S. "HARFRY" - OFFICIAL NUMBER 246340

We are extremely sorry to trouble you in connection with the above vessel which was lost after a collision with the Portuguese steamer "LUSO" in December 1939, but we have a law case pending in America as to liability for the collision and it would be very greatly appreciated by us if you could give us a letter stating if there were any certificates of Sea Worthiness outstanding, that the vessel was classed with you, and the date of the last classification survey.

We appreciate our request is a little unusual but is we are afraid somewhat necessary, owing to the, we think, superfluous requirement of the American Lawyers.

Any information you can give us would be very greatly appreciated.

Yours faithfully,

For and on behalf of
T.H. DONKING & SONS LTD.

Secretary
