Dear Sir,

In reply to the query contained in your classing letter of the 7th inst, regarding the screw shaft of the s.s. "HARFERY", I beg to inform you that this shaft does not run in oil, and is not fitted with an oil gland at the after end.

I regret that this was not made clear in my report.

In future cases, where oil glands are fitted the type of gland will be stated in the report.

I am, Dear Sir,

Yours faithfully,

John Mackintosh

The Secretary,
