21st February, 1933.

Dear Sirs,

I am in receipt of your telegram relative to the steamer "HARFRY" reading as follows:-

"HARFRY 63581 Stated Special Survey completed at Hull if so please forward renewed freeboard certificates."

and with regard thereto may say that the necessary instructions in connexion with the survey for the renewal of the freeboard certificate in this instance were forwarded to the Society's Surveyors at Hull on the 16th instant and they were asked to state whether the S.S.No.2 was being completed at this time.

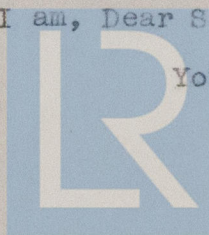

In reply they write that the Special Survey is being advanced at the present time, but will not be completed, and in this connexion they have been requested to advise what requirements still have to be complied with and the arrangements the Owners propose making in regard to the completion of the survey.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

NEWCASTLE-ON-TYNE.
