

S.S. "STONEGATE" - N° 84115 in the Register Book.

Shipbuilders: Messrs.

Yard No.

Engineers: Messrs. J. Dickinson & Son Ltd.

Engine No.

Tube makers - Stewart & Lloyd.

It is submitted that the plan of Sunderland Seweyers
be informed - it is noted that the ~~merit approval~~
for smoke tubes mentioned in their letter of the
provided 27th May and intended for fitting in the
above named vessel, are made of lap welded
wrought iron and have been certified by the
manufacturers to have been tested to 1000 lbs per
sq. ins. before dispatch, & this is in order.

Return

plan.
