

SUPERHEATER Endorsement.

S.S. "STONE GATE"

Shipbuilders: Messrs.

Engineers: Messrs.

Superheater Makers: Messrs.

Nº 84115 in the
Register Book.

Yard No.

Engine No.

The Superheater Co. LTD.

It is submitted that the plans of superheaters merit approval for a working pressure of 180 lb. per square inch, provided the steel castings be made at approved works and tested as required by the Rules, a safety valve be fitted to each part of the superheaters which can be isolated from the boilers, and the superheaters be constructed under the usual conditions of survey and testing, and the whole be tested to three times the working pressure.

The Firm should be informed that sub-let order Nº 3519/39 referred to in their letter of the 26th April has not yet been received at this office

Return plan. 84.
