

B. 2m, 11.29.

FREEBOARD REPORT on the

G/P "Liana"

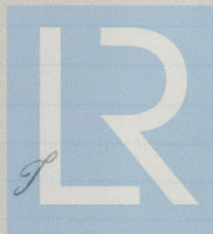

It is submitted the freeboard computation and the certificate I can be sent to Mr. Below, and he be informed that the freeboards have been computed on the basis of the information supplied on form C11.

As regards the timber freeboards, the penalty required by the Swedish Authorities for the omission of a load on the upper deck has been applied.

The certificate should have the date inserted before issue, particulars of same should be forwarded to this office.

It is further submitted the freeboards be cabled to the Copenhagen Surveyors.

Swedish Convention Ordinance of
Timber deck cargo freeboards.
