# CONVENTION FREEBOARDS.

Motor tankers owned by Messrs. N.V. Phs. van Omeron's  
Scheepvaartbedrijf.

It is submitted the Rotterdam Surveyors be advised  
that the contents of their letter have been noted, and the  
Surveyors at the various ports of survey should be advised  
as follows.

✓ M.S. "ELSDRECHT" - The London Surveyors should be advised  
that this vessel is due in London early next month, and  
that the sill of the door to the pumproom companionway  
will be increased to 24 inches to comply with the Convention  
requirement. They should report when this has been done.

✓ M.S. "DORDRECHT" - The Havre Surveyors should be advised  
that this vessel is due at their port on the 15th proximo,  
when the sill of the door to the companionway on the  
forecastle deck will be increased in height to 24 inches,  
to comply with the Convention requirement. They should  
report when this has been done.

M.S. "KATENDRECHT" - The Rouen Surveyor should be advised  
that this vessel is due at his port about the 5th January  
and he should be instructed to survey the vessel with a  
view to the assignment of freeboards under the International  
Convention, forwarding full particulars on report CII. A  
copy of all the freeboard particulars in this office should  
be sent for his guidance.

M.S. "WOENSDRECHT" - The Nantes Surveyor should be advised  
that this vessel is shortly due at St. Nazaire, and he  
should survey the vessel with a view to the assignment of  
freeboards under the International Convention, forwarding  
full particulars on report CII. A copy of all the freeboard  
particulars in this office should be sent for his guidance.

Motor vessel "ELSDRECHT" please see your letter of 7/11/31.  
The motor vessel "WOENSDRECHT" is expected to  
arrive in London in the early part of the month.

Owners will make the sill of the door to the pumproom 24"
