to be addressed to—
MAYORS.

Dear Sir,

We have received from the Owners Messrs. N.V. Phs. van Ommeren's Scheepvaartbedryf of Rotterdam the applications for freeboards assignment under the new International Convention for their Tankers.

The Dutch freeboard Commission will issue provisional certificates whereby the loading under the Convention rules will be permitted.

Arrangements have been made from this Office with the Secretary of the Dutch freeboard Commission that particulars can be forwarded to him in the usual way via this Office and the application forms signed by the Owners will be sent to this Office in the first instance which will then be forwarded to the Hague together with all documents received from London regarding this case.

✓ In connection with the above I shall be pleased to receive the Official documents in the case of their Motor vessel "SLIEDRECHT"; please see your letter 7/9/'31.

✓ The motor vessel "MYDRECHT" is expected to arrive in London in the early part of January next when the Owners will make the sill of the pumproom companionway 24"

see your letter of the 12th instant and they will call in the Surveyors at that Port; the documents will also be required for the Dutch freeboard Commission.

✓ The motor vessel "MOORDRECHT" is a complete sister vessel of the "MYDRECHT" and it is expected that a report on form C 11 will have to be made, the vessel is expected to arrive at Cork at the end of this week, and the Owners shall be pleased if you will send instructions to the Society's Surveyor at Cork to hold the inspection early next week, the Master will also be advised.

✓ Their vessels "DUIVENDRECHT", "PENDRECHT" and "BARENDRECHT" will be dealt with at this Port.

✓ The vessel "DORDRECHT", see your letter of the 7th instant will have the sill of companionway on the fore-castledeck brought up to 24" at Havre on the 15th of January next; the documents in this case are also required for the Dutch freeboard Commission.

✓ The vessel "KATENDRECHT" will arrive on the 5th of January next at Rouen and they shall be pleased if you will give instructions to the Society's Surveyor to deal with it.

✓ The vessel "WOENSCHRECHT" will arrive at St. Nazaire and they also requested to have the vessel inspected at that Port.

I am, Dear Sir,

The Secretary,

London.

Yours faithfully,

R. Leuvenburg
