C O P Y.

14th July, 1931.

M . Dear Sir,

With regard to the motor tanker "SLIEDRECHT", now being lengthened, I have to state that the Owners have applied for the particulars of freeboard in connection with the new convention, so as to be ready as soon as this comes in force.

In connection therewith I shall be pleased to receive the required form for drawing up the particulars as desired.

At the same time I shall be pleased if you will be good enough to let me have a supply of spare forms for the new freeboards.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
LONDON.
