

38
Surveyor there has apparently refused to allow the
vessel to sail owing to the fact that her two after
winches are out of order.

s.s. "STANCROFT"

It is submitted the Acting Surveyor at Barcelona
be informed by telegram that winches and cargo gear do not
come under the jurisdiction of this Society, and he is therefore
not in order in recommending the vessel to be detained on
account of these items.

14th November, 1938.

STANCROFT did
not sail last night as was fixed owing to
boiler trouble.—British United Press.
Barcelona, Oct. 13. — British steamer
STANCROFT sprang a leak during a bom-
bardment of Barcelona this morning and
according to latest reports is now sinking.
