

Lloyd's Register of Shipping.

55, Fawcett Street,

Sunderland, November 26th 1920

Dear Mr. Jones.

I am forwarding by to-night's post two
freight reports on Messrs. Clark Bros. No 413.
Before proceeding with the work the owner wish to
have the freighters "with" & "without" the tonnage
arrangements.

This vessel is of the same model as the "VONWEN"
Old Report No 26859 - but with the modifications
that have been made for getting the cylindrical tanks
over the transverse bulkheads have been removed which
may have an effect on your transverse strength
calculations.

The plans are now in the London Office for
approval. No fee has been marked on these
preliminary reports but will be charged on
verification reports.

I am

Yours faithfully
