6th March, 1930.

Dear Sirs,

S. I beg to thank you for your cablegram of the 28th ultimo in regard to the Twin Screw Steamer "SULTAN STAR", and the information contained therein was at once transmitted to the Owners of the vessel.

I may add that information has now been received here that the vessel's port main engine broke down soon after leaving St. Vincent on her return to this country, and that she has been ordered to proceed again to your port.

I therefore await any further particulars you may be able to send in due course. I am, Dear Sirs,
Yours faithfully,

Messrs. Millers & Corys
