ENCLOSURE.

27th February, 1930.

Dear Sirs,

H. I have to acquaint you that I am in receipt of a letter from the Owners of the steamer "SULTAN STAR" in which they state that difficulties have developed in the reduction gearing of the main engines of this vessel which will necessitate^{her} returning to the builders for repair. They add that she is returning at reduced speed to St. Vincent, and is due there today.

As you are aware the Society has no Surveyor stationed in the vicinity of St. Vincent and in the circumstances I cabled you today as per copy enclosed herewith, and I now await the receipt of the Surveyor's report.

I should add that all fees and expenses in connexion with this matter must be paid by the Owners or their Representatives and should accordingly be charged by you to them.

I am, Dear Sirs,
Yours faithfully,

Messrs. Millers & Corys
