Lloyd's Register of Shipping,
71 Fenchurch Street, E. C. 3.

Dear Sir,

"SULTAN STAR".

We have to advise that the above vessel reports from Lat. N. 8, while outward bound, that difficulties have developed in the reduction gearing of main engines and which will necessitate returning to builders for repair. Meanwhile, she is returning at reduced speed to St. Vincent and is due to arrive there on Thursday morning, the 27th inst., and will then send us a full report of the condition of the gearing.

We understand that you have no surveyor at St. Vincent and that it will be necessary to apply to Lloyd's Agent to appoint a surveyor.

Yours faithfully,
For BLUE STAR LINE (1920) LTD.

E. A. Thomson

Senior Superintendent.
