

s.s. "SULTAN STAR".

Liv. 96691.
Lon. 94814.

IT IS SUBMITTED that the vessel is eligible for the
record

* L.M.C. 2,30
Fitted for Oil Fuel 2,30,
F.P. above 150°F.

subject to the H.P. and I.P. primary gears being renewed at
the first opportunity and to the gears being examined at
Buenos Aires and London each voyage.

C.L. F.D. 3 D.B. 1 S.B.

Note:- After the full power trials the primary gears were
found abraded and were sent to the Works and recut. They were
again examined in London after the voyage from Liverpool and
will be examined at Buenos Aires and London each voyage until
new primary gearing has been fitted. The Owners intend to
run the machinery at reduced power in the meantime.
