ENCLOSURE.

15th February, 1930.

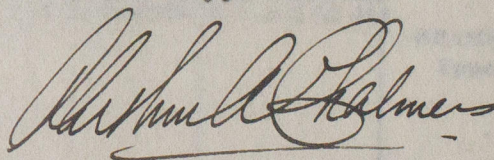

Dear Sirs,

We enclose a letter from the Liverpool Surveyors concerning the Blue Star Liner "SULTAN STAR", and for your information we have to inform you that we have examined the gearing of this vessel whilst in London.

It has been arranged that the vessel proceed to your Port under reduced power, specified by the Owners, and we are recommending that the gear be kept under survey by the Society's Surveyors at both Buenos Ayres and London until such time as the defective pinions and wheels can be replaced by the Builders.

We will be much obliged if you will give this vessel your usual prompt attention on arrival; she left here for your port on February 14th.

Yours faithfully,

The Surveyors,

BUENOS AYRES.
