Enclosure. Dear Sirs,

M. Dear Sirs,

I have to acknowledge the receipt of your letter
 Reverting to your letter of the 12th instant
 enclosing a copy of one from the representatives of the Owners
 of your T.S.S. No. 995, and to the statement that "It is the
 Owners wish that the scantlings of the frames and top side
 plating are to be such as will with 50% deck erections obtain
 a Summer load draft of 30ft. " I think it well to call your
 attention to the fact that the freeboard to be assigned to
 this vessel will be as intimated in my letter of the 5th
 instant addressed to this Society's Liverpool Office, as
 shown on the enclosed memorandum, and subject to the provisions
 set forth therein, from which it would appear that the
 extreme Summer draft will be slightly under 30'.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Messrs. Cammell, Laird & Co.Ld.
