LIVERPOOL.

9th Nov. 1928.

Messrs. Cammell Laird & Co.Ld.,
BIRKENHEAD.

Dear Sirs,

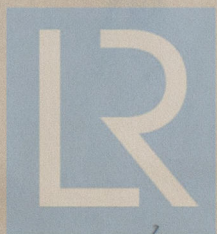

T.S.S.No.955.

Your favour of 7th instant to hand relative to the obtainable draft and possible revision of freeboard regulations.

We may say that it is the Owners' wish that the scantlings of the frames and top side plating are to be such as will with 50% deck erections obtain a summer load draft of 30 ft. even if obtainable by any revision of freeboard regulations would be of advantage to them for their business.

You will therefore please arrange with Lloyds accordingly.

Yours Faithfully,
